KRISHI BOOSTER

Krishi Booster is Ayurvedic and herbal manure which is used for fertilized soil to get better results after growing the seeds into the soil. The farmers use organic manure to make fertilized soil. The soil gets disturbed due to the addition of chemicals and fertilizers into it and fruits, vegetables, and crops do not grow properly as it grows.

MRP - 1299.00, DP - 999.00, SP - 5, BV - 500

KRISHI PLUS

Krishi Plus is an herbal and organic product that is used to grow plants properly. The plant growth gets stopped due to the lack of nutrients and minerals in the soil. Krishi Plus is present in the liquid form so this is mixed into the soil to get a better result. It helps to make the plant for proper growth.

MRP - 699.00, DP - 499.00, SP - 2.5, BV - 250

PRODUCT GALLERY

AGRICULTURE CARE

AGRO 90 PLUS

Neem Oil Spray consists of 100% concentrated neem oil (*Azadirachta indica*) which is a natural byproduct of the neem tree. The oil is harvested from the trees' seeds and leaves. While it has been used as a natural pesticide for hundreds of years, it is also used in many products you use in your home. Neem Oil Spray is very effective for controlling insects. The compounds contained in the oil work in many ways against many insects, interfering with their reproductive cycles, inhibiting their feeding, serving as a repellent, and, with some pests, as a contact insecticide that kills them outright. Neem Oil Spray is also applied as a foliar spray and is especially valuable to indoor and hydroponic growers. The spray prevents fungus and other leaf diseases. It's particularly effective against spider mites, indoors and out. Completely Safe: Safedea Neem Oil Spray is a safe and non-toxic insecticide. We all want to protect the environment, our families, and our food, but most non-manmade chemicals available have limited effectiveness. Except for neem oil. Neem Oil insecticide is everything a gardener could want. What is neem oil? It can safely be used on food, leaves no dangerous residue in the soil, effectively reduces or kills pests, as well as prevents powdery mildew on plants.

MRP - 699.00, DP - 499.00, SP - 2.5, BV - 250

PRIME AUDIENCE CARD

PRIME AUDIENCE CARD FOR CELEBRITY EVENTS
